## THE INSPIRING MEETING ROOM

Great ideas aren't born in dull places - they are in inspiring environments such as this. Create the right setting for your workshops, seminars, conferences and presentations by choosing this extraordinary location high above Berlin's rooftops. On 225sqm, the loft offers space for small to large groups in a sun-drenched main room, 2 smaller side rooms and an exclusive open plan kitchen. A projector and screen are included in the rental price and any further technical needs or furniture requirements can easily be organized. Alternatively, you can also bring your required equipment with you.

## PRIVATE PARTIES ABOVE BERLIN'S ROOFTOPS

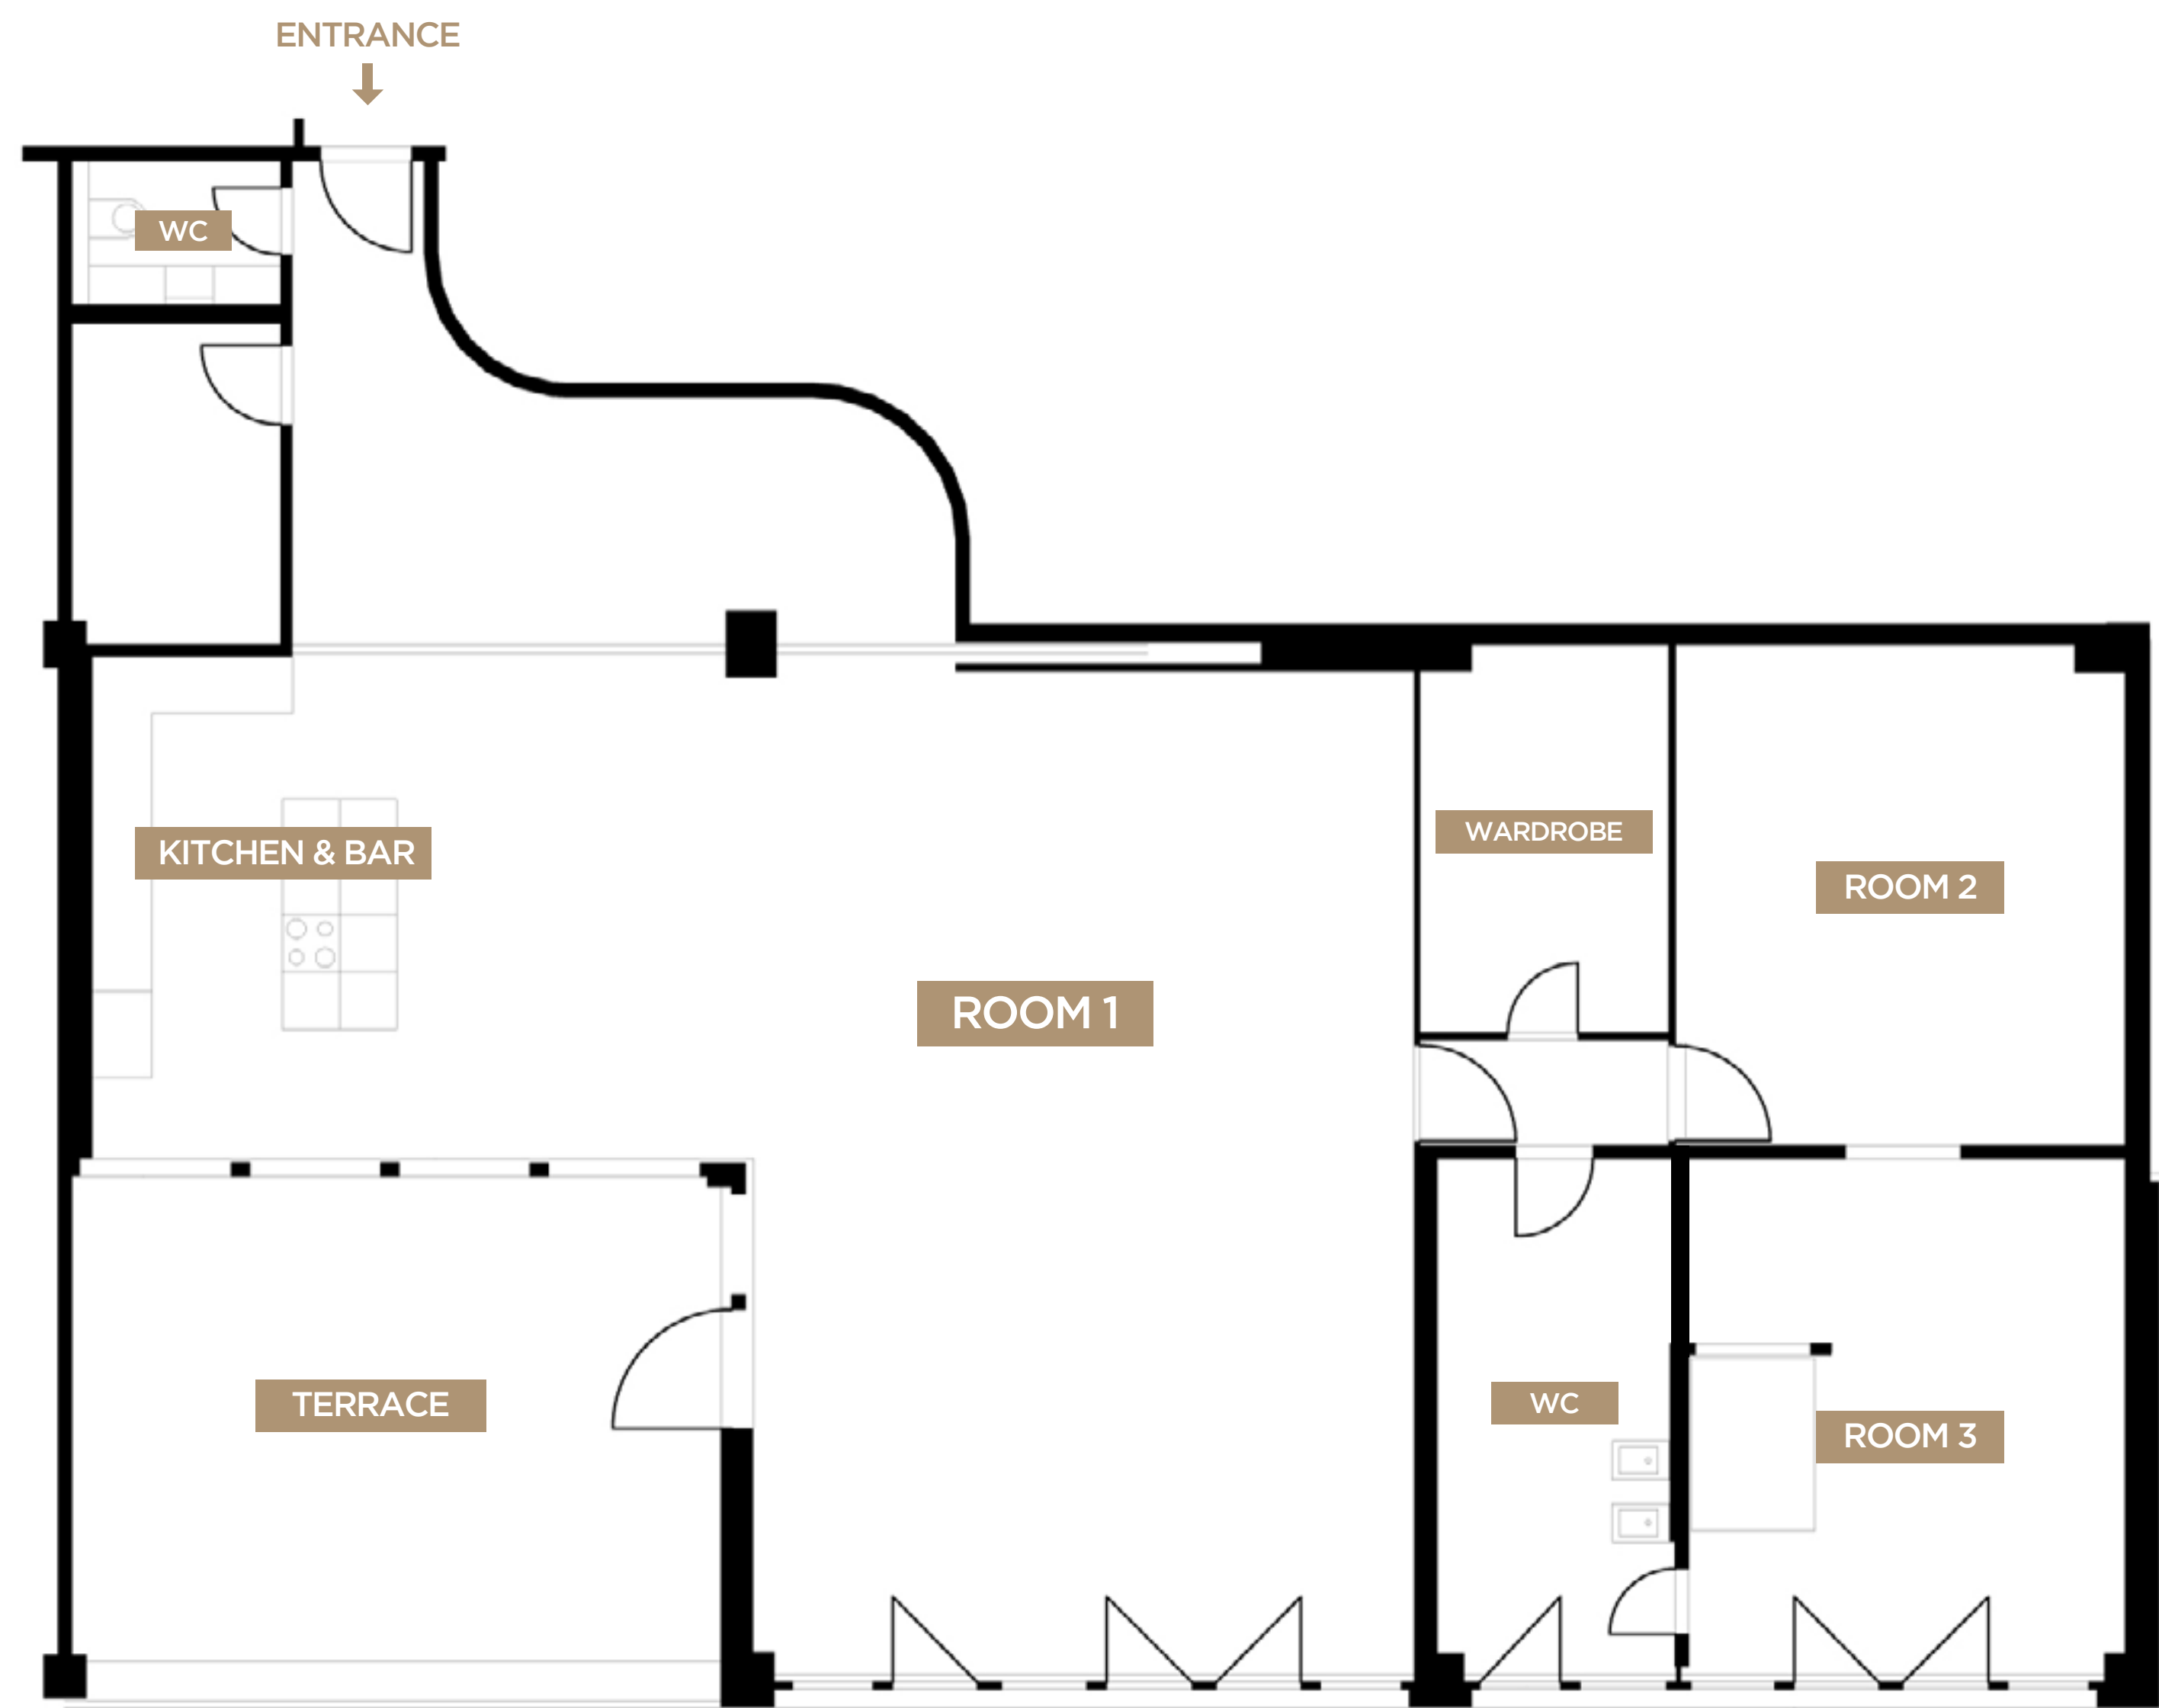

...or just a casual get-together with live-cooking in the modern and well-equipped open plan kitchen. From 'flying buffets' to set dinners, everything is possible and sure to impress your guests. There is enough room to dance - if you wish to - and our music and sound equipment is already included in the rental price.

## COOKING EVENTS - A TEAM-BUILDING EXERCISE OR PRIVATE AFFAIR

Our modern open plan cooking space and floating kitchen island is suited perfectly for cooking events of all sorts. This is your space to be creative, experiment, and enjoy the outcome in the lofty setting and on the rooftop terrace.
